The Pupil Premium: Using it to diminish the difference at Harehills Primary School

September 2018 – September 2019

Harehills Primary School actively promotes equality of opportunity for all staff, governors, pupils and parents, creating a harmonious learning community where all can succeed.

What is the Pupil Premium?

The Pupil Premium is additional funding to help schools close the attainment gap between pupils from low-income and other disadvantaged families, and their peers. If a pupil has been eligible for Free School Meals (FSM) at any point over the past 6 years or has been looked after for one day or more (Child Looked After), the school receives an amount per head within their budget. A provision is also made for pupils who have a parent in the armed services.

Context

Harehills Primary is a large 3-form entry school with 735 pupils (Spring Census 2018). We serve an area of significant deprivation and our pupils come from a wide range of ethnic minority backgrounds (22 ethnic groups and 41 languages spoken - Spring Census 2018). The majority of our pupils are of Pakistani heritage and we have an increasing number of pupils from Eastern European countries arriving in school with little or no English, and no previous schooling. There is a significant language barrier in school with 84% of our pupils' proficiency in English ranging from New to English to Developing Competence, and a large number of pupils enter school with delayed language and reading skills. Currently, the percentage of pupils eligible for Pupil Premium funding is 34% (Spring census 2018), this figure is decreasing year on year, which is another significant barrier. We believe among other factors, this decrease is because many of our families are new to the country and therefore unentitled to Free School Meals and other benefits, and also it has become increasingly difficult for families to claim eligibility for Free School Meals under new benefits criteria.

Rationale

Harehills Primary is determined that all pupils are given the best possible chance to achieve their full potential through the highest standards of Quality First Teaching, focussed support, curriculum enrichment, and pastoral care. We believe the additional provision delivered through the Pupil Premium funding should be available to all pupils within school who we know to be disadvantaged and vulnerable, irrespective of whether they are eligible for the funding. Indeed, it should be noted, that many of the pupils identified as requiring additional levels of support are not necessarily those who fulfil the FSM eligibility criteria. There is no expectation that all Pupil Premium funded pupils will receive identical support and the allocation of the budget for each pupil feeds into the whole school budget as opposed to being ring fenced. The school considers best ways to allocate Pupil Premium money annually following rigorous data analysis and the careful consideration of the needs of the pupils.

Strategy

We have a clear, strategic 3-part model approach for Pupil Premium funding provision, which focuses on the following:

- whole-school strategies that impact on *all pupils*
- focussed support to target *under-performing pupils*
- specific support targeting *pupil premium pupils*

Our determined and committed leadership team and wider staff ensure that Pupil Premium funding and provision impacts achievement, attendance and pastoral care. This includes two identified governors having responsibility for Pupil Premium, the Deputy Head teacher, Assistant Head teachers and TLCPs responsible for monitoring provision and outcomes, and the wider staff team to implement and evaluate provision. The Deputy Head teacher and Assistant Head teachers regularly evaluate pupil premium outcomes compared to other pupils in school to ensure the correct strategies and provision are in place.

Action Plan for Pupil Premium provision September 2018 – September 2019

Ofsted November 2015

'Pupil Premium funding is use very effectively and provides additional teaching and support for pupils' welfare. As a result, disadvantaged pupils often make better progress than other pupils, relative to their individual starting points. The school carefully identifies any factors that cause pupils to fall behind and carefully plans how pupils can be helped to catch up.'

Main internal and external barriers:

- Vulnerable families and pupils with emotional and social needs
- High numbers of pupils with limited/no English
- High mobility
- Tackling Persistence Absentee levels
- Delayed language and vocabulary skills (speaking & reading skills)
- School readiness (low academic baselines on entry, socially and emotionally ready)

Desired outcomes to diminish the difference between Pupil Premium funded pupils and 'Other' pupils

- A. PP attainment tracking and monitoring is robust and used to inform subsequent provision (Leaders at all levels)
- B. Continue to support families and pupils' social, emotional and health needs through Nurture and the Hub Team
- C. Continue to support pupils and families who are new to English/ no previous schooling
- D. Pupils and families with low attendance/ high Persistence Absentee levels are supported and challenged
- E. PP pupils make rapid progress to catch up to their peers
- F. More Able PP pupils 'on track' to exceed Expected Standard
- G. Address low baseline on entry to school in EYFS so pupils quickly catch up to their peers
- H. Increase vocabulary, reading and phonics achievement in EYFS & KS1
- I. Improve school readiness and pupils' enjoyment through providing before and after school clubs, subsidising trips.

*Please see the Action Plan below for more detail around the above desired outcomes
